

## MUSIC HOME LEARNING 15<sup>th</sup> JUNE

Hello Everyone,

I hope you are keeping safe and that you are enjoying the music activities I'm suggesting. It was lovely to see pictures of some of you playing along with our Corpus Christi hymns. I will try to put up some more music for you to play soon.

This week I'd like you to see if you can cover all the different strands of the music curriculum....Singing, Playing, Composing, Listening and Performing.

Here are some ideas for each category:-

### SINGING

This is the easy one, as we all have a voice! I love [https://www.outoftheark.co.uk/ootam-at-home/?utm\\_source=homepage&utm\\_campaign=ootamathome2&utm\\_medium=banner](https://www.outoftheark.co.uk/ootam-at-home/?utm_source=homepage&utm_campaign=ootamathome2&utm_medium=banner) Out of the Ark is full of songs and activities about the songs too. Also Sing Up <https://www.singup.org/singupathome> has lots of material too.

### PLAYING

Obviously if you have an instrument you can play that. Or make something to play along with a song. I'm sure lots of you have a recorder somewhere - why not get that out and have a go - you can find online materials to teach you. If not, find something in your kitchen to tap out a rhythm.

### COMPOSING

This can be lots of things - you could make up new words to a song, make up your own song, make up your own body percussion piece ( look back at EMS "Beat Goes On" from my previous weeks' ideas ), look at Anna Meredith's "Connect It" on BBC 10 PIECES and make up your own.

### LISTENING

I continue to recommend BBC 10 PIECES <https://www.bbc.co.uk/teach/ten-pieces/ten-pieces-at-home/zjy3382> for fantastic music performances to watch and listen to.

### PERFORMING

So why not sing/play/perform to people at home?  
Or make a video and send to me!

### EMS SUMMER SOUNDS

EMS have a set of songs and activities which would have been for the Partnership Festival this term. I am attaching the material for the first song "Today".

Have a good week,  
Ms Phillips
