## ASSEMBLIES

On Monday, Mrs O'Shea spoke to the children about kindness. She reminded the children that they should show kindness to both their friends and teachers. Kindness and thoughtfulness was to be shown not just through words but their actions. We also celebrated the success of Danny Corbo, who as a past pupil has got through the first round of 'The Voice Kids'.

On Tuesday, Miss McCarron spoke to the Juniors about Refugee Week and how welcoming someone can make a big difference to their experience. She told them 'Habib's Story' which tells of the journey and painful losses that he experienced and how he was welcomed to the UK.

## MUSIC ASSEMBLY

**On Wednesday, our instrumentalists from Year 4 played to the whole school and their parents. They gave a beautiful performance and amazed us all with their wonderful talents!!!**

## CHURCH VISIT

On Wednesday & Thursday, we had a visit from the Imperial College Outreach Team.

**Years 4 & 5** were able to learn all about space, stars and the moon. Children from Bowes Primary, Our Lady of Lourdes & St Andrew's joined them and also gained new knowledge from the collaboration.

## The Tate

On Tuesday, **Year 3** were visited by a photographer from Tate Britain who took a class picture as part of the Tate Year 3 Project. This will be displayed alongside classes from all over London in the Tate Britain from November. Year 3 had a wonderful morning and can't wait to see themselves alongside masterpieces!

## Reception 2019

Today, we welcomed some of the new Reception children who will be joining us in September. Hopefully, they all felt comfortable with their new surroundings and the afternoon will have eased any anxieties they have about coming to 'BIG' school. We look forward to seeing the other children next Friday.

## TASTER DAYS

On Wednesday, the **Year 5** boys spent the day at St Ignatius College and the girls spent the day at St Anne's Catholic High School. They had an interesting day learning what it is like to be in a secondary school and had a chance to try their hand at various new subjects.

## A Summer Prayer

God of Light and Truth, thank you for giving me a mind that can know and a heart that can love. Help me to keep learning every day of my life, for all knowledge leads to you. Let me be aware of your presence in all things and at all times. Encourage me when work is difficult and when I am tempted to give up; encourage me when my brain seems slow and the way forward is difficult. Grant me the grace to put my mind to use exploring the world you have created, confident that in you there is a wisdom that is real.

*Have a lovely weekend!*
