

## Year 1 home learning- Monday 23<sup>rd</sup> March 2020

Please find below a list of activities that we would like you to complete this week. Please do not try to do all of these activities in one day; spread them out over the week so that you are doing some school related work throughout each day as if you were in school. Try to work between the hours of 9am and 3pm.

We are in the process of setting up a class Dojo which is an online platform that will allow us to communicate with you. We will let you know when this has been done. Additional activity ideas will be put on there as and when (not daily). We will be responding to messages **once a day** should you wish to communicate with us.

**RE** – start your day with our morning prayer and remember to say your grace before and after meals. Please write a prayer to help anybody in our community at this difficult time.

Children can also watch this video about Holy week:

<https://www.youtube.com/watch?v=0PSgoPdKQFQ>

### **Maths-**

Please continue to play online maths games on:

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

<https://www.ictgames.com/>

**Activity 1:** Draw a 100 square using a pencil and a ruler, fill in the numbers up to 100. *Blank templates can be found on Twinkl, sign up for free.*

**Activity 2:** Shade 2s, 5s and 10s in different colours. Can the children spot the patterns and begin to recognise the odd and even numbers? (please keep this for next week as we will be adding to it).

**Activity 3:** Choose some numbers between 1-50 (can go beyond if they feel comfortable) partition the numbers into tens and ones and write number sentences e.g. **3 tens and 6 ones- 30+6=36.**

**Activity 4:** Use you 100 square to count in 2s,5s and 10s out loud.

**English** - Please see the attached PDF documents for: phase 5 phonics sound mat, year 1 common exception words, letter and number formation and handwriting. Choose 3 words per day and put into detailed sentences including an adjective.

**Phonics:** Please continue to practise the phase 5 phonics sounds and play the online games by clicking on the following link: <https://www.phonicsplay.co.uk/freeindex.htm>

**Reading** - Please hear your child read for at least 10 minutes a day. This can be done at any point during the day e.g. first thing in the morning or at bedtime. Please allow your children

to read widely, as well as the reading books from school provided. Alternatively, click on the link to find some free children's audio books:

[https://stories.audible.com/start-listen?utm\\_campaign=audible+stories+free+children%27s+audiobooks&utm\\_medium=&utm\\_source=linktree](https://stories.audible.com/start-listen?utm_campaign=audible+stories+free+children%27s+audiobooks&utm_medium=&utm_source=linktree)

### **Science** - Materials and Properties!

There are many different materials and they all have different properties. They can be: hard, soft, strong, stretchy, heavy, light, opaque, transparent, flexible, rigid etc. Can you find objects around your home which have one or more these properties? Please present in any form such as a poster or within a table – choose what is easiest for you!

You could even write the name(s) of the materials these objects are made from!

**Physical activity** - Please click on the following link to join Joe Wicks at 9am- 9:30 every morning for some exercise: <https://www.youtube.com/user/thebodycoach1>

Alternatively, Go Noodle provides many fun physical activities, the children are familiar with this resource! Have a go at 'The Dinosaur stomp' this week. You can also search on **YouTube-Dinosaur stomp Go Noodle** and the same video will appear. <https://www.gonoodle.com/>

Please do not worry if you cannot complete all of the suggested activities. We are all doing the best that we can during this difficult and strange time. We miss you and look forward to being in contact soon.

Kind regards,

Miss Smith and Miss Galvin 😊
