Year 6 Home Learning week beg 23rd March 2020

Please find below a list of activities that we would like you to complete this week. Please do not try to do all of these activities in one day; spread them out over the week so that you are doing some school related work throughout each day as if you were in school. Try to work between the hours of 9am and 3pm.

We are in the process of setting up a class Dojo which is an online platform that will allow us to communicate with you. We will let you know when this has been done.

All tasks should be recorded into your topic book with a date and title. If you do not have a topic book, please use an exercise book, or sheets of paper. If you use sheets, remember to keep them together in a folder.

RE – start your day with our morning prayer and remember to say your grace before and after meals. Look at the attached Lenten calendar document and do the activities that have been suggested for the 24th – 29th March. At some point each day, please have a quiet 3 minute retreat using the attached link. https://www.loyolapress.com/3-minute-retreats-daily-online-prayer

English – Writing Write a recount of one event of our journey to Hilltop. You may choose to write about a full day, or just choose one particular activity. This should take you the equivalent of two 'lessons' as you will do a first draft and then edit and write a final draft just like we do in class. If you did not go on school journey, your recount can be about an event that took place during the last few weeks.

Write an **informal** thank you letter to one of the instructors at the Hilltop centre and write a **formal** thank you letter to the owner (Mr Read). As before, if you did not go on school journey then you may write thank you letters to someone of your choice.

Reading - Read your book for half an hour each day.

PE – Use these websites for a few ideas to keep you active each day.
https://www.youtube.com/watch?v=rN0h6EZd6TM
https://www.bbc.co.uk/teach/supermovers

Art – create a rainbow and display it in your window.

History – Research and find 6 interesting facts about Beeston Bump, Sheringham, Norfolk. Make sure that you find out why Beeston Bump was significant during WW2.

Science – Our new topic will be ecology. Type 'food chains explained ks2' into your search engine as this will bring you to websites that will enable you to find out what food chains are as preparation for next week's work. You need to know what the following words mean: food chains, producers, consumers, predators, carnivores, herbivores, habitat, prey, omnivores.

If you have time and you have the ingredients you might like to do some baking, but you do not have to.

Please do not worry if you cannot complete all of the suggested activities. We are all doing the best that we can during this difficult and strange time. We miss you and look forward to being in contact soon.

Kind regards,

Mrs Hindle and Mrs Warrington 😊
