Computing

Topic: *E-Safety*

1. Read through the **E-Safety** pdf and discuss what you should do in each situation.

RE

Topic: *Special objects for Muslims*

This week is Other Faiths Week. All children in school will be learning about Islam.

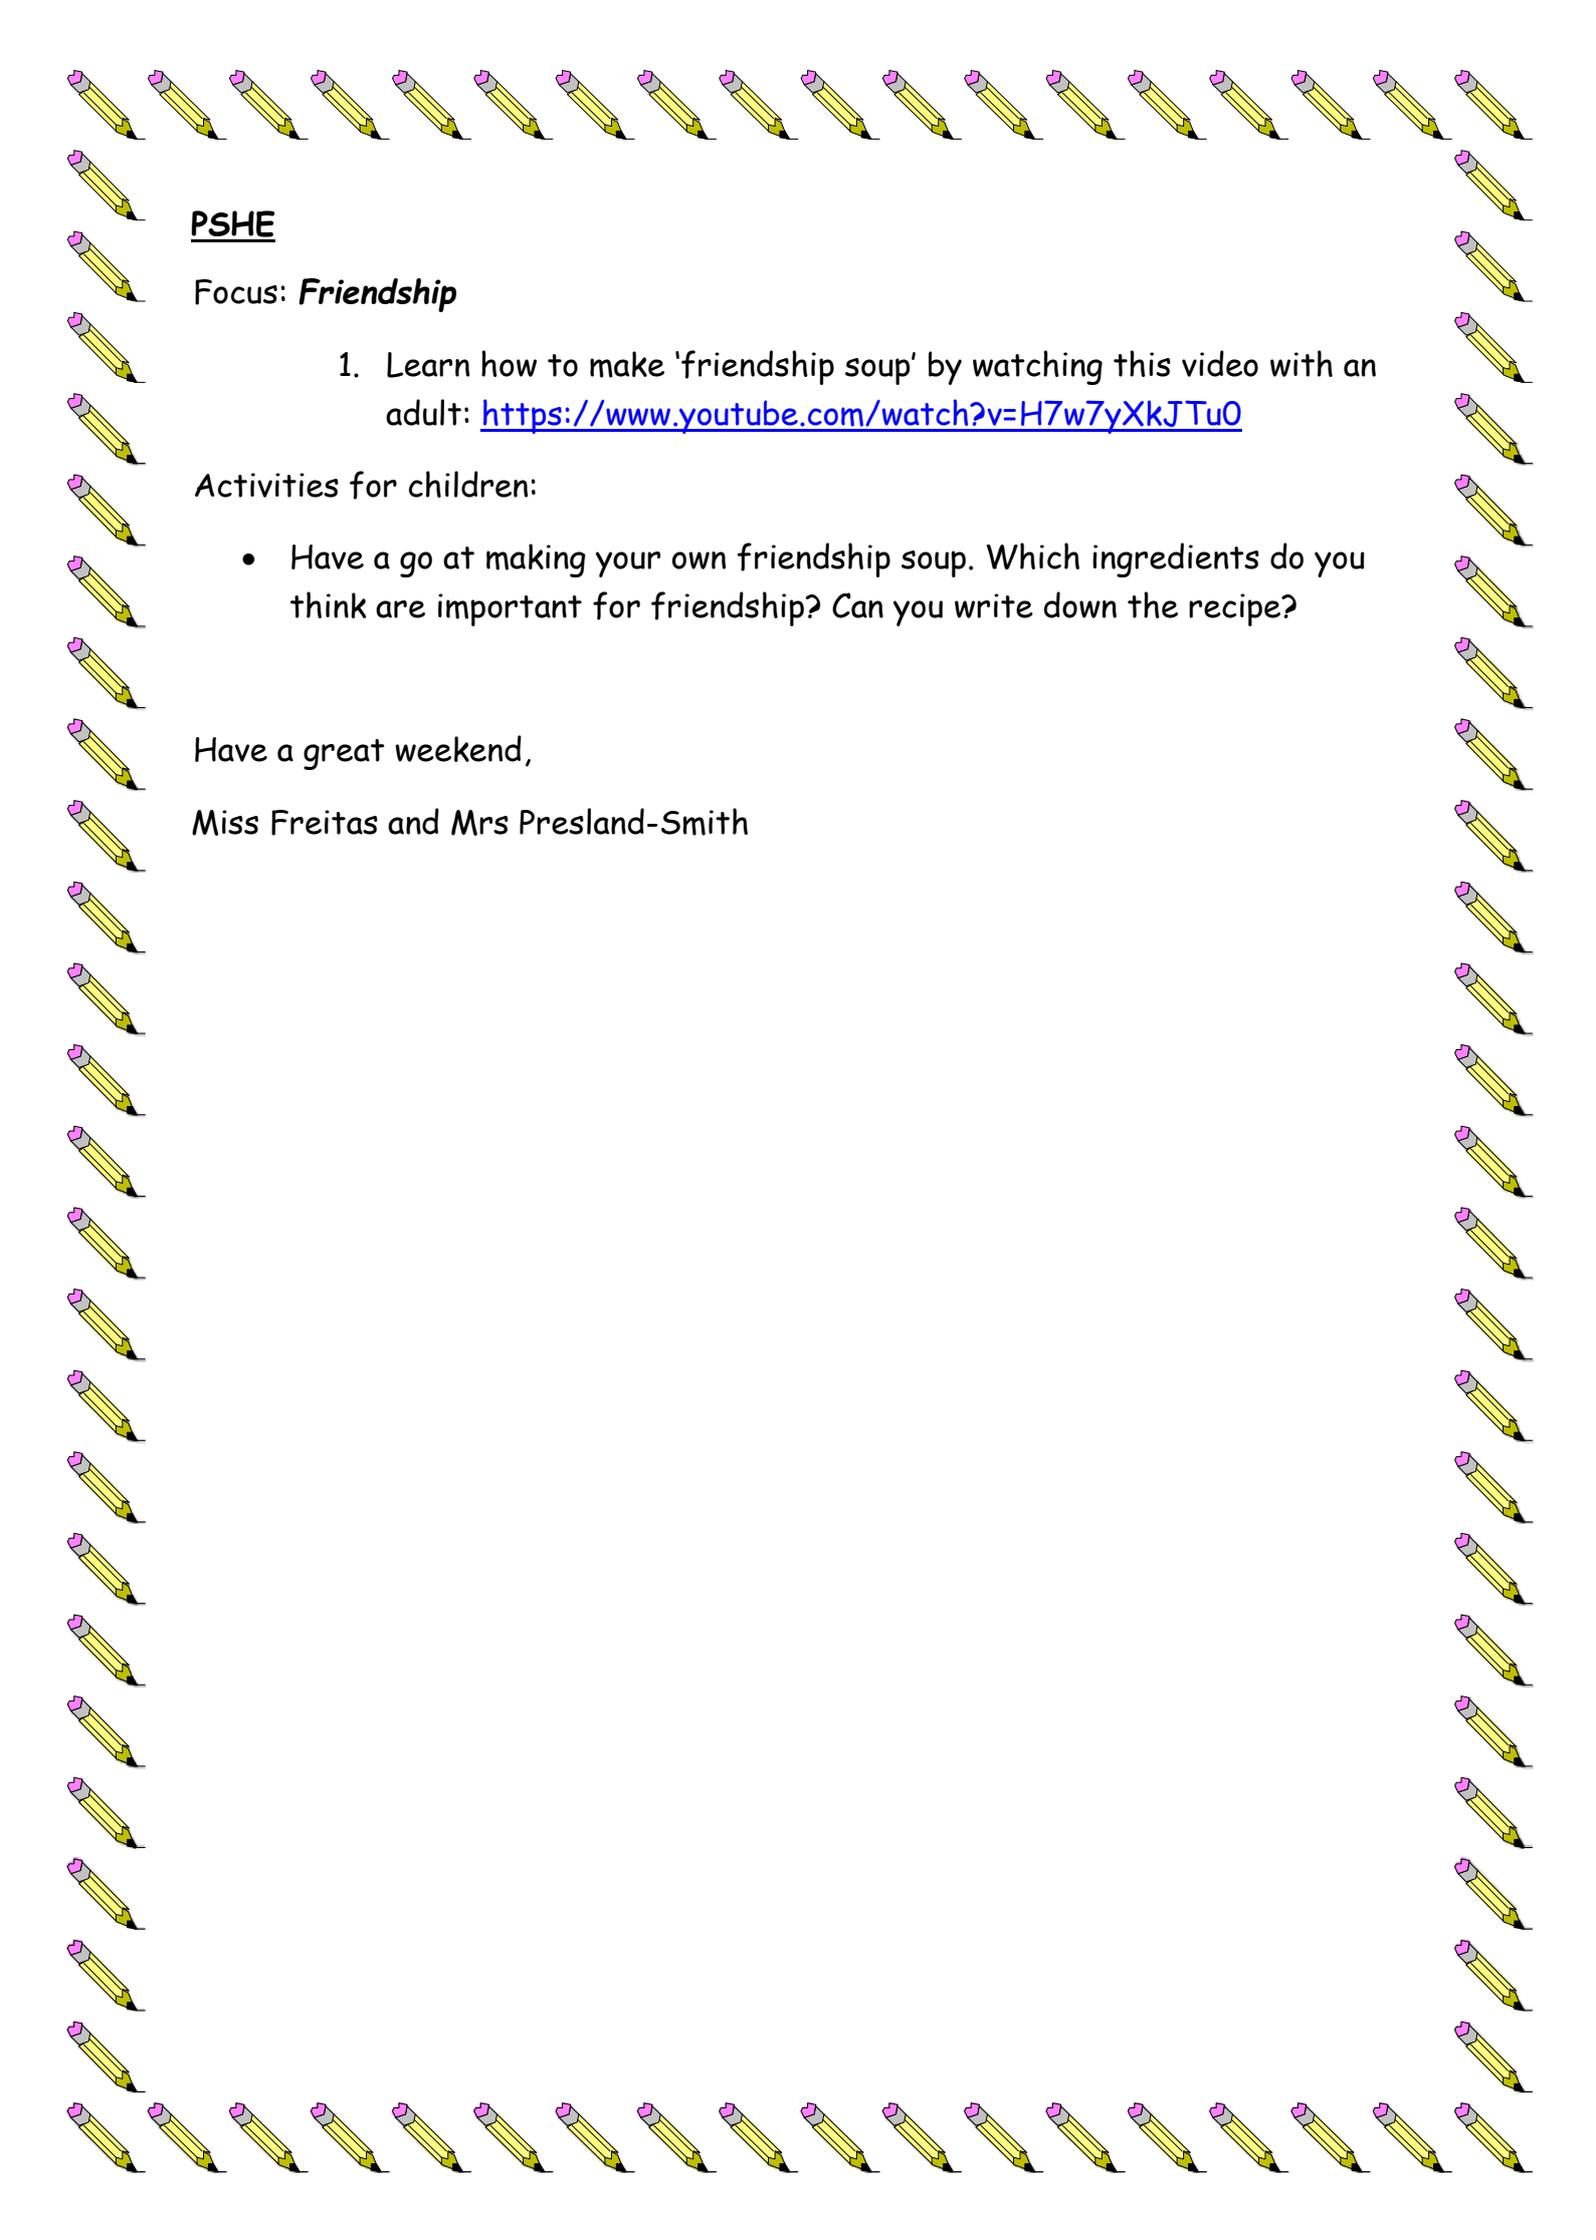

1. Begin by thinking about these questions:

- What is your most precious object?
- Why is it special?
- How long have you had it?
- Where do you keep it?
- How do you treat it?

A prayer mat is special for Muslims because it helps them to pray anywhere. Look at the prayer mats below. Observe the use of colour and patterns. Have a go at designing your own prayer mat.

2. Another special object for Muslims is their holy book, the Qur'an. Read **The Qur'an** pdf on our website (access the BBC Bitesize clip here: <https://www.bbc.co.uk/bitesize/clips/zrn34wx>). Then, watch this video to find out more: <https://www.bbc.co.uk/programmes/p02mwjsw> Make a poster to show what you have learnt about the Qur'an.

PSHE

Focus: *Friendship*

1. Learn how to make 'friendship soup' by watching this video with an adult: <https://www.youtube.com/watch?v=H7w7yXkJTU0>

Activities for children:

- Have a go at making your own friendship soup. Which ingredients do you think are important for friendship? Can you write down the recipe?

Have a great weekend,
