

## **MUSIC HOME LEARNING 29th JUNE**

Hello Everyone,

I hope you are keeping safe and that you are enjoying the music activities I'm posting on Class Dojo.

It's been lovely to know that lots of you are doing the daily Dojo lessons in and out of school. Don't forget that any sheets relate to the video so you do need to watch that to make sense of the pictures!

I will continue the daily sessions based on the EMS "Summer Sounds" project. If you can't do them every day you can catch up as each session is only 8 minutes and they progress through the week.

On Monday we will have an assembly for the Feast of St Peter and St Paul, and we will sing "Oh When the Saints". I'm putting some extra verses for this song for you to sing.

There are also instrument parts for violin, cello, trumpet, clarinet, piano/keyboard, recorder/tin whistle/flute and easy flute/recorder and easy clarinet. Do have a go!

This week I'd like you to see if you can cover all the different strands of the music curriculum....Singing, Playing, Composing, Listening and Performing.

Here are some ideas for each category:-

### **SINGING**

This is the easy one, as we all have a voice! The EMS song this week is "Drill Ye Tarriers Drill".

See the attached resources.

I love [https://www.outoftheark.co.uk/ootam-at-home/?utm\\_source=homepage&utm\\_campaign=ootamathome2&utm\\_medium=banner](https://www.outoftheark.co.uk/ootam-at-home/?utm_source=homepage&utm_campaign=ootamathome2&utm_medium=banner)

Out of the Ark is full of songs and activities about the songs too.

My suggestions this week are:-

"I'm OK" from the well-being section and "When it's a Sunny Day".

Don't forget about Young Voices! <https://www.youngvoices.co.uk/yv-at-home/> you can go back and do the previous workshops. St Monica's is signed up for 2021, whether that will be a big concert or an in-school experience.

Also Sing Up <https://www.singup.org/singupathome> has lots of material too.  
Have a look at "Count on Me" by Bruno Mars.

## **PLAYING**

Obviously if you have an instrument you can play that. I'm sure lots of you have a recorder somewhere- why not get that out and have a go- you can find online materials to teach you.

I'd like you to try and collect sound makers for my Dojo lessons and maybe even make something- great recycling project!

## **COMPOSING**

In my Dojo lessons there are ideas for composing - beat and rhythm patterns and also you could use my notation ideas.

## **LISTENING**

I continue to recommend BBC 10 PIECES <https://www.bbc.co.uk/teach/ten-pieces/ten-pieces-at-home/zjy3382> for fantastic music performances to watch and listen to, as well as follow-up activities. The new week's activity doesn't go up until Monday, so I can't tell you what it is going to be, this week's activity involved writing a news bulletin which looks fun!

## **PERFORMING**

So why not sing/play/perform to people at home?  
Or make a video and send to me!

## **EMS SUMMER SOUNDS**

EMS have a set of songs and activities which would have been for the Partnership Festival this term. I am attaching the material for the third song "Drill Ye Tarriers Drill".

Have a good week,  
Ms Phillips
