

Hansel and Gretel

Hansel and Gretel
Were lost in the wood.
The breadcrumb trail
Did them no good.

They found a cottage
Built with gingerbread.
“Hooray! We are saved!”
The poor children said.

A witch was lurking.
She trapped the two,
She put Hansel in a cage,
And made Gretel clean the loo.

The witch was blind.
They tricked her with a bone.
They pushed her in the oven.
Then the children ran home.
