

MUSIC HOME LEARNING 13th JULY

Hello Everyone,

So we come to our last week of term, and I would really encourage you to keep up practising your music skills ready for September. If you haven't followed all my Dojo lessons it would be great if you could catch up on them, we may use some of the ideas next term.

MAKE SOME INSTRUMENTS

I know some of you have done this already. It's a great recycling project as well. I'm most interested in trying to find things which you can play in different ways - tapping, shaking, scraping.

SINGING

I love https://www.outoftheark.co.uk/ootam-at-home/?utm_source=homepage&utm_campaign=ootamathome2&utm_medium=banner

Out of the Ark is full of songs and activities about the songs too.

My suggestions this week are:-

"Brighter Day Tomorrow" and I think it would be great to end the term with "As One".

Also Sing Up <https://www.singup.org/singupathome> has lots of material too.

week. <https://www.singup.org/singupathome/all-songs>

Here is the full list so you can find some favourites- I noticed "Happy" on the list.

PLAYING

When you've made your instruments, try playing them along to songs and making up your own accompaniments.

If you are a string player you might want to join RNCM summer school online (grade 2 and above) <https://www.rncm.ac.uk/engage/young-projects/rncm-young-strings/young-strings-summer-school/>

COMPOSING

In my Dojo lessons there are ideas for composing - beat and rhythm patterns and also you could use my notation ideas.

I'd also love you to make up your own lyrics to songs we've learned - send me your ideas.

LISTENING

I continue to recommend BBC 10 PIECES

<https://www.bbc.co.uk/teach/ten-pieces/ten-pieces-at-home/zjy3382> for fantastic music performances to watch and listen to, as well as follow-up activities. There are no new sessions now, but you can catch up on all the previous lessons.

From July 20th, you will be able to access new activities through

<https://www.bbc.co.uk/programmes/articles/1d96N36cJhm1SlyDMJVq0X7/proms-at-home>

I'm sure this will be as engaging as 10 Pieces at Home, so do have a look.

PERFORMING

So why not sing/play/perform to people at home?

Or make a video and send to me!

The EMS Summer Sounds project suggested performing all four songs as a mini concert.

Have a wonderful summer, keep safe, and I hope to see lots of you in September.

Ms Phillips
