

CELEBRATING WHO WE ARE

'Everything is art, we are art, our insides, our body, and as long as your heart is beating, you are art' *Year 3 pupil*

Think about what it is like to be YOU in the world.

Create a list with your name, your favourite game, favourite music and favourite hairstyle. You could add your best thing about weekends, your future ambition and a dream for our future world.

Record your ideas with drawings, sound, photography or video.

There are many things that make you different to other people.

There are also many things that make you the same. Some differences can be seen, and some cannot. Some similarities can be seen, and some cannot.

Think for a minute about everything that makes you YOU, the visible and invisible things.

Now think of a friend. Think about everything that makes them THEM, the visible and invisible things.

Think for example of the clothes they like wearing or the things they carry with them, something nice they did for you or what games they like.

Draw these things to create a portrait of your friend.

Note: There is no right or wrong way to do this activity.

This is for YOU.

YOUR voice, ideas and feelings matter.
