

Year 4 A suggested timetable for learning at home – feel free to amend!

Wake Up!	Make a positive start to the day – have breakfast and get dressed. Be prepared for the day ahead – you could start the day with a 3-minute retreat: https://www.loyolapress.com/3-minute-retreats-daily-online-prayer/				
Daily exercise	If possible – morning walk or indoor exercise. Joe Wicks is streaming exercise 3 times a week via the following link: https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ Or you could try Go Noodle https://www.youtube.com/channel/UC2YBT7HYqCbbvzu3kKZ3wnw Try to get a little exercise daily. Maybe continue some of your Olympic games ideas or make up new ones. Also, Karen put up some London Youth Game tasks on Dojo – take a look and get involved. Have a look on the Dojo daily for other suggestions 😊				
School work	Please refer to the school website for any additional PDFs/resources @ http://www.st-monicas.enfield.sch.uk/learning/year-4/				
Reading	Please also read every day for at least 30 minutes – post a review if you like when you finish a book you enjoy 😊				
Spellings	Please visit https://www.spellzone.com/word_lists/games-5454.htm and play these games to help practise your Year 4 spellings. * Bouncing anagram is fun although a little tricky! *				
	Monday	Tuesday	Wednesday	Thursday	Friday
English	<p>Pobble 365</p> <p>Get creative!</p> <p>Choose your own Pobble picture to write creatively; you could choose today's picture or any other picture from a date in the year! Please share your fantastic stories on the dojo – don't forget to show us your best writing skills!</p> <p>https://www.pobble365.com</p>	<p>Year 4 Summer Activity booklet</p> <p>We would like you to continue working through this activity booklet which has a variety of grammar, vocabulary and punctuation activities to sharpen your skills. You don't have to print it out – you could jot down answers in a workbook or on paper.</p> <p><i>See separate PDF on school website for the activity booklet and answers</i></p>	<p>Memories of the Year Planning</p> <p>What are your memories of this school year? You may write about one specific memory, or you may write about a few – it is entirely up to you. It may be a memory of a time at school (star is born/Hampton Court trip) or perhaps during lock down! I remember when.... The day that....was one of my best memories of the year.</p> <p>Plan your ideas today and do a rough draft</p>	<p>Memories of the Year Writing</p> <p>What are your memories of this school year? You may write about one specific memory, or you may write about a few – it is entirely up to you. It may be a memory of a time at school (star is born) or perhaps during lock down! I remember when.... The day that....was one of my best memories of the year. It may be a memory of a time at school (star is born) or perhaps during lock down!</p> <p>Write your memory out in best after any editing – add illustrations too if you wish!</p>	<p>Summer Wordle</p> <p>Your wordles for diversity were so fantastic we thought you could do one with a 'summer' theme. Use the website to create your wordle with all the words that make you think about summer – here are some words you might want to use: sun, sand, ice-cream, sizzling sausages, water fights, cut-grass etc. https://wordart.com/</p>
Every day maths	Please spend at least 20 minutes a day practising your times tables. TT Rock stars https://trockstars.com/ 30 minutes-a-day or https://www.topmarks.co.uk/maths-games/hit-the-button Other maths games to practise your skills can be found at: https://mathsframe.co.uk/				

Year 4 A suggested timetable for learning at home – feel free to amend!

<p>Maths</p>	<p>There is a maths booklet on the website. Some pages will be difficult to complete without printing but please do what you can if you do not have access to a printer. Pages possible without a printer are: 3, 6, 7, 10, 11, 13.</p> <p>Work through the booklet throughout the week! Do as much as you can, don't worry if it isn't finished this week!</p>	<p>We have linked some MyMaths lessons for the four operations to revise. (The four operations are: addition, subtraction, division & multiplication.) You can work through all of these or choose the ones you feel you need to do most!</p> <p>https://app.mymaths.co.uk/127-lesson/mixed-tables-2-to-12 mixed tables 2 - 12</p>	<p>https://app.mymaths.co.uk/133-lesson/multiply-single-digit multiplying 2 digits by 1 digit.</p> <p>https://app.mymaths.co.uk/1715-lesson/short-division short division</p>	<p>https://app.mymaths.co.uk/1716-lesson/more-written-methods addition and subtraction</p>	<p>For some challenges have a look at: https://nrich.maths.org/9414 Maths frame has some great games too: https://mathsframe.co.uk/en/resources/category/22/most-popular</p>
<p>A suggestion for the afternoon activities – you can choose which days you want to do each lesson.</p>	<p>RE St. John Baptist de la Salle As we were not here for the Feast of St. John (one of our school Saints) on May 15th, we would like you to find out more about this Saint. You can find some facts at: https://kids.kiddle.co/Jean-Baptiste_de_La_Salle This is a good starting point but you should do some additional research too. You can watch this too: https://www.youtube.com/watch?v=cAR26S5mRVw Task: Complete a fact file Saint Card (like we did for our other school Saints). You may want to do this on the school colour for St. John: yellow. You should include his Saint's day, what he was patron Saint of, a portrait if Saint John and any other facts you can find.</p>	<p>Science We've heard so much talk about bubbles, let's make some! This is an opportunity to find the best bubble mix. You could use a different range of soaps from your home, or try different quantities of washing up liquid to see if the strength of the solution produces better/more/longer lasting bubbles. Record your results in a suitable table. Number of bubbles, length of time before bursting could be possible labels for your axes. See this website for the science behind the bubbles and some examples of experiments that you can adapt to test. https://www.homesciencetools.com/article/how-to-make-super-bubbles-science-project/#:~:text=Measure%20%20cups%20of%20water,until%</p>	<p>Art Zentangles</p> <p>https://www.youtube.com/watch?time_continue=438&v=yBGVONBOKU&feature=emb_logo</p> <p>This video shows you a range of patterns and shapes that you can experiment with. It links back to the 3D shapes and the handwriting colouring pictures we did a few weeks ago. You could start with lines, irregular or regular shapes. You may want to use a picture that you can add to, or you can design your own. This is your opportunity to be creative. See the PDF for some examples</p>	<p>PSHE – Dreams and Goals</p> <p>Click onto this link: https://families.jigsawpshe.com/stuck-at-home-1/#1584980809411-cef2002a-d73c</p> <p>Watch the first video of Fowley's Wings then answer the mid-story discussion questions. Continue with the story watching part two of Fowley's Wings. We would then like you to complete one or both of these activities: Activity 1: Ask your children what their dreams and goals might be, for when they are grown up or in the time before we start school in September. Invite them to draw a pair of</p>	<p>Movie afternoon! Watch a movie and write a review for a newspaper. How many stars would you give this film? How was the acting and directing? Would you recommend others to watch this film?</p>

Year 4 A suggested timetable for learning at home – feel free to amend!

	<p>End of Year Prayer We started our school year with a class prayer in our Prayer Journal and we would like you to write an end of year prayer reflecting on your time in Year 4. <i>Don't forget to illustrate your prayer 😊</i></p>	<p>20it%20is%20mixed%20together. Enjoy!</p>		<p>wings, like Fowley's. On the wings they draw or write their dreams and goals for the future. Discuss. Activity 2: You could draw a set of wings together and you and the children draw or write ideas as to what you could do together and/or try to achieve in the next few weeks while they are off school. Try to keep the ideas realistic and achievable under these circumstances. This may be a way to bring a positive angle to the situation we are all in at the moment. Display the wings and refer to them each morning to see if there is something on them that could be a focus for an activity that day.</p>	
<p>Creative time!</p>	<p>Lego, puzzles, board games, colouring, craft activities, cooking/baking, imaginative play, gardening, computer games, anything they like to do! Please see music lessons from Ms Phillips on the Dojo and also on the website http://www.st-monicas.enfield.sch.uk/learning/music/</p>				
<p>Evening time</p>	<p>Have dinner (help set the table, tidy up after), relax, prepare for bed/story time/reading 😊</p>				

Please do not worry if you cannot complete all of the suggested activities. We are all doing the best that we can during this difficult and strange time.

Having said that, if you want more to do, please see websites such as BBC Bitesize <https://www.bbc.co.uk/bitesize> and Oak Academy <https://www.thenational.academy/online-classroom> which both provide daily lessons, appropriate for each year group.

BBC daily lessons wb:13/7/20 <https://www.bbc.co.uk/bitesize/dailylessons> Here is the schedule of the BBC bitesize daily lessons for next week:

Year 4 A suggested timetable for learning at home – feel free to amend!

HOME LEARNING
