

Thursday 16<sup>th</sup> July

Dear Parents and Carers,

We are really looking forward to being your child's class teacher. It was lovely to meet so many of the children today and yesterday. Many of you will be looking forward to the summer holiday and a break from any requirement to be involved in home-schooling. We are aware however, that some of you may wish to carry on supporting your child's learning over the summer holidays. Therefore, please see below a few websites/ideas of things that you could do. Please note that this work is **not** a requirement. We understand that the summer holidays are usually a much needed break from any school work. These are simply just a few ideas:
