

Dear Parents,

“**Last One Standing**” is our new football-based fundraiser to see us out of lockdown and back to school (hopefully!)

Starting on the 13th Feb, simply pick one Premier league team to win their match that week.

If they win, then you are through to the following week where you choose again, but beware you can't choose the same team twice.

We keep going until there is just one person left, our **Last One Standing**, who will take a cash prize.

The week 1 fixtures are attached.

To enter, simply email your choice(s) to Tom Conlon at LastOneStanding2021@gmail.com and make a £5 donation per entry to the Friends at <https://uk.virginmoneygiving.com/Team/Lastmanstanding> I think you'll agree that £5 per person is a bargain for several weeks of entertainment!!

Not sure who to choose? Whether to go for a banker now or risk a lower team early on to save the big hitters for later in the competition?

The good news is that there is no limit to entries per family so you can do both. Consult the kids who will have a strong opinion on strategy.

Grandparents, uncles, aunts, cousins, friends, dogs, friends' dogs are also all able to enter. The more the merrier, and the greater the achievement if you become the **Last One Standing**.

To ensure entry, please email your choice(s) providing a name against each entry and the team selection against each entry, along with the £5 per entry donation by the end of Thursday 11th February.

Good luck!!

The Friends
