

## **Last One Standing - Season 2**

*After last year's successful debut, we are back!*

*The concept is very simple - select one premier league team each week that you think will win. If your team wins, you will progress to the next round, if your team loses or draws then you are out!*

*It sounds simple but there is some strategy involved. You cannot choose the same team more than once in the competition so you need to think ahead!*

### **What are the rules?**

*The game will start with the fixtures on the weekend of the 12/13th February.*

*Each round, you simply select 1 team to win. If your team wins you are through to the next round. If your team draws or loses, you're out! However, new for 2022, we've made one exception this year for week 1. After a record number of fallers in week 1 last year, draws will count as a win in week 1 only!*

*Once you lock in your pick for a round, you cannot change it. Once you have selected a team, you cannot use that same team again in the competition.*

*If you forget to pick a team, you will be allocated the first team in alphabetical order that you have not selected so far.*

*If a match is abandoned, cancelled or postponed after you selected that team in the round, it is deemed a win and you play on.*

*The game continues until there is 1 player left, the Last One Standing, who is declared the winner and receives the £100 winning prize!*

*If 2 or more players remain in a round, and neither player picks a winner, a sudden death penalty shoot out will decide the winner - this involves making a selection on every fixture in a weekend. If there is no winner by the last weekend of the season, a penalty shoot out shall also take place on the last week to determine the winner.*

### **Why we're raising money**

*It costs only £5 per entry with the winner receiving £100.*

*You are welcome to submit multiple entries per family so feel free to get family members, neighbours & the delivery driver involved.*

*As always, all funds raised will go to the school to provide the extras that the school would love to have for the children to enjoy and use but does not have the funds to deliver.*

### **How to play**

*You need to email [LastOneStanding2021@gmail.com](mailto:LastOneStanding2021@gmail.com) with your pick by the 10th February. Week 1 fixtures are overleaf.*

*You must include the name of each player and their pick for week 1 in your email. You must also make a payment of £5 per entrant at <https://app.investmycommunity.com/fundraise/the-friends-of-st-monicas-school-3020> before the first games are played.*

*All weekly results shall be issued by email, so please check your email regularly and ensure you submit selections on time every week!*
