Abstract

22/03/2023 11:20

[illegible]

The image shows a piece of paper with handwritten mathematical work. On the left, there is a long division problem in black ink: the divisor is 4, the dividend is 844, and the quotient is 211. To the right of this, there is another long division problem in blue ink: the divisor is 4, the dividend is 856, and the quotient is 214. A red vertical line is drawn next to the number 6 in the dividend 856. Below these calculations, the word "Abstract" is written in black ink. In the top right corner, there is a date and time stamp: "22/03/2023 11:39".

$$\begin{array}{r} 211 \\ 4 \overline{) 844} \end{array}$$
$$\begin{array}{r} 214 \\ 4 \overline{) 856} \end{array}$$

Abstract

22/03/2023 11:39

$$844 \div 4 = 211$$

800
