

Next week Willow and her friends will be running a raffle to raise money to support animal charities with their funding. With the increased cost of living many people are having to forsake their pets to various charities, as they are unable to pay for the upkeep of their furry friend.

Therefore, Willow and her friends will be holding a raffle for some lucky person to win 'Puggy'.

The cost of the raffle is £1 a ticket. The winner will be announced during assembly on the 1st December 2023. If you could support our cause, it would be much appreciated.
