Welcome to the game! Let's kick-off!

What you need to do:

To enter, please donate £5 per person via Good Hub by 10pm on Friday 2nd Feb! <http://app.goodhub.com/lastonestanding2024>

Please include your **name** when adding your donation!

Select one premier league team that you think will win at the weekend and send it through to: **lastonestanding2021@gmail.com**

(once sent, it can't be changed and you can't use the same team twice - so think ahead!)

What you need to know:

The game will start with the fixtures of the weekend of 3rd February.

If your team wins, you will progress to the next round but;

If your team loses or draws then you are out! (although for week 1 only, to get us all warmed up, draws will count as wins).

We keep going every week until we have just one person left, the last one standing!

If you forget to pick a team, you will be allocated the first team in alphabetical order that you have not selected so far.

If your match in the round is abandoned, cancelled or postponed after you selected the team in the round it will be deemed a win and you play on.

The game continues until there is 1 player left, the last one standing, who is declared the winner! If 2 players remain in a round, and neither player picks a winner, a sudden death penalty shoot out will decide the winner - this involves making a selection on every fixture in a weekend.

If there is no winner by the last weekend of the season, a penalty shoot out shall also take place on the last weekend to determine the winner.

Why we're raising money

It costs only £5 per person with the winner receiving £100 and you are welcome to submit multiple entries per family so feel free to get family members, neighbours & the delivery driver involved.

As always, all funds raised will go to the school to provide the extras that the school would love to have for the children to enjoy and use but does not have the funds to deliver.
