

26th February 2024

Dear Parents,

Thank you so much for all of the donations you have already made for Outdoor Play and Learning (OPAL), the children are really enjoying their playtimes. We are moving on to the next phase of our project and we are looking for further donations.

- Pots/pans/old kitchen appliances. E.g microwave, kettle, toaster. We are in the process of creating a mud kitchen.
- Crates – delivery crates or large plastic storage boxes. These will be used to build structures.
- Cardboard boxes – but only large ones, used to make dens and structures.
- Puppets – we have a puppet theatre that we are about to put out, so any donations would be greatly appreciated.
- Beanbags/floor cushions/small bedroom rugs – we are creating a 'cosy cabin' so any of these would be greatly appreciated.

There are a number of items that we are using that we will need to keep replenishing. Dressing up, cars, cardboard boxes etc will be needed all of the time. If you have any at home that you no longer need/want, please bring them in.

Please leave any donations for OPAL outside the school office.

Many thanks,

The OPAL team (Mrs Tottle-Nugent, Miss Bowling, Lindsey and Robert)
