

Parent Survey 2024

19th July 2024

Dear Parents

Many thanks to all those who completed the parent survey; 172 responses were received. I have copied and pasted all the comments typed (8 pages) which ranged from, "St Monica's is the best" to, "St Monica's is the worst" and everything in between. I know you can't please all people all the time, but I do see that it is my role to try, but I'm conscious that some of us need to agree to disagree - you can't win them all. Particular thanks for the very constructive suggestions which will be considered in September when we consider measures to drive school improvement. Particular thanks also for the many kind and supportive words from lots of you. The breakdown of responses is as follows:
